

RESOLUTION OF THE BOSTON REDEVELOPMENT AUTHORITY
RE: ESTABLISHMENT OF FAIR MARKET VALUE IN
THE NORTH STATION PROJECT AREA

WHEREAS, the governing body of the Authority (the Board) at a regular meeting on April 19, 1973, adopted a Resolution, entitled "Resolution of the Boston Redevelopment Authority Relative to the Establishment of Fair Market Value for Properties to be Acquired", and

WHEREAS, the parcel was appraised by at least two independent fee appraisers, was reviewed by staff appraisers, and the value recommended by the Real Estate Director and the Chief General Counsel has approved as to form:

NOW, THEREFORE, BE IT RESOLVED BY THE BOSTON REDEVELOPMENT AUTHORITY: THAT, the Fair Market Value of the parcel listed below is hereby established:

<u>Parcel No.</u>	<u>Owner</u>	<u>Address</u>	<u>Price</u>
167A-16	Philip A. Oddo	12 Lomasney Way	\$69,000

Title to each parcel, when acquired, is to be in fee simple, free and clear of all reservations, encumbrances, and other exceptions to title, except:

1. Liens for any taxes that are not payable at the time of vesting title in the Local Public Agency;
2. Easements or other outstanding interests that have been designated as parcels to be acquired separately;

3. Easements or other interests that under the Urban Renewal Plan are not to be acquired;
4. Reservation of interests or rights, if any, in the former owner, if authorized and in accordance with Department of Housing and Urban Development policies and regulations.

None of the parcels covered by this request is now owned, nor was owned at any time after the Local Public Agency filed its first application for Federal assistance for, or Federal concurrence in, the Project, by (a) the Local Public Agency, (b) a member of its governing body, (c) an officer or employee of the Local Public Agency who exercises a responsible function in carrying out the Project, (d) the local government, (e) the Federal Government, or (f) a public entity or nonprofit institution which acquired the property from the Federal Government for a nominal consideration at a discounted price.

(x) No exceptions

() Except the following parcels

Cullen
O'Neill

The owner has agreed to settle this parcel for \$69,000 ✓

Considering the fact that the Pub on the first floor gives a stability of income to the building since the same use existed before the present ownership, and the fact that Mr. O'Neill's value on the comparative sales approach is \$65,000 which is higher than his final value, we feel the price of \$69,000 represents a favorable settlement for this parcel.

In addition, the assessed value for this parcel is higher than for other properties in the area. If the assessment were adjusted on a comparable basis, Mr. O'Neill's value on the income approach would be higher than the recommended settlement.

We request concurrence in the revised price of \$69,000 as final settlement.
